DSS User Flow Specification

Visitor, admissions, LMS, AI, assessment, certification and deployment journeys

DIGITAL SALES SCHOOL · PRODUCTION SPECIFICATION

1. VISITOR → STUDENT

AD / ORGANIC → LANDING PAGE → FREE CHALLENGE or APPLY → ADMISSIONS → PAYMENT
→ ACCOUNT + ENROLLMENT → ONBOARDING → MODULE 1 UNLOCKED

2. ONBOARDING

- Create account.
- Verify payment/enrollment.
- Complete student profile.
- Set learning goal.
- See Digital Revenue Journey.
- See Module 1 unlocked and later modules locked.
- Start Module 1.

3. MODULE FLOW

OPEN MODULE → LESSONS → PRACTICAL → QUIZ → PASS? → ASSESSMENT → PASS? →
MODULE COMPLETE → NEXT MODULE UNLOCKS FAIL → FEEDBACK → RETRY/RESUBMIT →
RECHECK

4. AI ROLE-PLAY

SELECT BUYER → LOAD SCENARIO → CONVERSATION → END → AI RUBRIC SCORE →
FEEDBACK → TARGETED DRILL → RETRY

5. READINESS FLOW

MODULE EVIDENCE + ROLE-PLAY + ASSESSMENTS + SALES LAB → TEN COMPETENCY
SCORES → DSS SALES READINESS INDEX → GAPS → PRACTICE → CERTIFICATION
READINESS

6. CERTIFICATION

- Check required programme completion.
- Check portfolio.
- Knowledge assessment.
- Prospecting evidence.
- Outbound campaign.
- Booked/attended qualified meeting.
- Discovery evidence.
- Product demonstration.
- Objection exercise.

- Closing simulation.
- CRM audit.
- AI-assisted selling evidence.
- Calculate final Readiness Score.
- Issue certificate only when all required components pass.

7. PORTFOLIO

The programme's eleven-piece portfolio includes ICP analysis, prospecting list, outbound campaign, email sequence, LinkedIn campaign, discovery recording, product demo recording, objection-handling recording, sales proposal, CRM pipeline export and case-study write-up. ■filecite■turn950file7■L1-L12■

8. INTERNSHIP / DEPLOYMENT

ELIGIBLE STUDENT → OPPORTUNITY PUBLISHED → VIEW REQUIREMENTS → APPLY → DSS/EMPLOYER REVIEW → INTERVIEW/TASK → SELECTED OR FEEDBACK

Use honest language: internship opportunities are available where DSS has opportunities to offer; no student is promised a placement. The curriculum lists internships/apprenticeships, direct applications, freelance/agency work and warm introductions as possible deployment routes. ■filecite■turn950file1■L1-L8■

9. ADMIN FLOW

- Create cohort.
- Publish curriculum.
- Configure unlock rules.
- Create assessments.
- Assign assessors.
- Monitor progress.
- Review submissions.
- Approve justified overrides.
- Run certification.
- Publish opportunities.
- Export reports.

10. FAILURE FLOWS

Payment pending	Do not grant paid entitlement until verified.
Quiz failed	Keep next module locked; provide remediation.
Assignment failed	Allow resubmission; keep requirement open.
Locked URL/API	Reject unauthorized access.

AI unavailable	Preserve non-AI learning; queue AI task if possible.
Certificate mismatch	Block issuance and flag admin review.
